

**Volunteer for the 33rd Annual
Strong Kids Safe Kids Festival
Saturday August 19, 2017**

The festival will take place at the Chemung County Fairgrounds, rain or shine. As a volunteer, you will be a major asset to your community, be exposed to new experiences, and meet new people while having fun! All event-wide volunteers working a full shift will receive a custom designed Strong Kids Safe Kids volunteer T-Shirt and receive complimentary food and drink throughout the day.

Sample of Available Volunteer Positions:

- **Set up and Tear down:** Help with chairs, tables, tents, agency placement etc. See times for each on the sign up form.
- **Exhibitor Escorts:** Direct exhibitors to their assigned location and assist them with unloading supplies and facilitate speedy removal of exhibitor vehicles from the event area. Volunteers needed from 8:30 to 10:30 am.
- **Activity Assistants:** Volunteers are needed to staff some festival activities throughout the day and perhaps deliver needed supplies to participating booths. Adult or older teen volunteers are particularly needed to assist with the Bobby K inflatables.

We would love to have your organization/business send a group of volunteers to manage a specific task or event area. We'll work with you to find the right fit for your group's talents and interests.

Complete and send in the 2017 volunteer registration form attached
